Methodist Churches

Learning from nature!

What is Eco-Kids?

A summer day camp that gives children the opportunity to explore the natural world and learn how to be good stewards of God's creation. Field trips this year include a canoe trip on the Mississippi River with Wilderness Inquiry and a trip to Minnehaha Falls Regional Park. Other trips are in the works.*

When?

August 1st through August 5th:
9:00 AM-4:00 PM Mon-Thurs, and
9:00 AM-12:30 PM on Friday.

Where?

Community United Methodist Church
950 Gould Avenue NE
Columbia Heights, MN 55421

Theme:

Our theme this year is the river of life—we will learn how rivers are a source of life for the plants and animals that live in or near the river, and for our human communities as well.

*Field trips are subject to change.

Who Can Participate?

Children entering grades 3-6 are welcome!

How Much Does it Cost?

The cost of our field trips is higher than usual this year, so for the first time we will be charging \$75 per child for camp. Thanks to the generosity of the members of our churches and a contribution from the St. Anthony Kiwanis, we are able to keep our camp fee lower than our actual cost. Full or partial scholarships are available.

Testimonials:

"I give this place five stars."

"Loved the kindness of the staff."

"Best day camp ever!"

Camp Leadership:

The camp leaders will consist of clergy and volunteers from the Northeast Area United Methodist churches. All staff and lead volunteers will have successfully passed a background check.

Registration:

Registrations will be accepted on a first come, first served basis until the camp is full. Registration forms are available by calling 612-781-3167, or online at www.faithumchurch.com. Forms can be submitted online or mailed to Faith United Methodist Church, 2708 33rd Ave NE, St. Anthony, MN 55418.
